

Saturday, 19 May

Hall Sea

/Paradise Blue Hotel/

08:30 - 10:00 MULTIMODALITY IMAGING IN ERA OF QUANTIFICATION

Chairmen: M. Gospodinova, G. Elkilany

08:30-08:45 Techniques for Valve Regurgitation

H. Reddy /USA/

08:45-09:00 Quantification of Left Ventricular Systolic Function

G. Elkilany /UAE/

09:00-09:15 Quantification of Right Ventricular Size and Function

V. Sorrell /USA/

09:15-09:30 Quantification of Atrial Function

I. Vlasseros /Greece/

09:30-09:45 Utility of Right Ventricular Strain Compared to Conventional Echo Quantification for Assessment of Cardiac MRI Evidenced Right Ventricular Dysfunction

E. Sade /Turkey/

09:45-10:00 Multimodality Imaging in Restrictive Cardiomyopathies

M. Gospodinova/Bulgaria/

10:00 – 10:30 Coffee Break and visit to the exhibition in the lobby of Paradise Blue Hotel

10:30 - 13:00 ADVANCE IN ISHEMIC HEART DISEASE -READ WITH EXPERTS

Chairmen: I. Simova, A. Singh

10:30-10:50 Echocardiographic assessment of patients with CAD- review of old and new techniques.

K. Hristova /Bulgaria/

10:50-11:10 Coronary assessment by non-invasive cardiac imaging

I. Simova /Bulgaria/

11:10-11:30 Role of CMR in diagnosis of CA

F. Sozzi /Italy /

11:30-11:50 Myocardial SPECT in the diagnosis of CAD

G. Elkilany /UAE/

11:50-12:10 New advances in percutaneous coronary intervention: new device, new techniques and more

K. Karamfilov /Bulgaria /

12:10-12:30 Imaging for assessment myocardial viability

A. Singh /USA/

**13:00 – 14:00 Lunch Satellite Symposium by Actavis in Paradise Blue Hotel, Hall Sea
Eplerenone in the treatment of heart failure**

Chairman: I. Gruev /Bulgaria/

13:00 - 13:30 Evaluation of the safety and tolerance profile of eplerenone and spironolactone in patients with heart failure with reduced global ejection fraction - monocentric comparative study

E. Manov /Bulgaria/

13:40 - 13:50 Eplerenone – clinical case of patient with heart failure with reduced ejection fraction

D. Vasileva /Bulgaria/

13:50-14:00 Discussion

14:30 – 16:30 STRUCTURAL HEART DISEASES

Chairmen: I. Petrov, M. Saric

- 14:30-14:50 TAVR: TTE and TEE Evaluation
K. Aggarwal /USA/
- 14:50-15:10 MitraClip: Basic Echo Imaging for Routine Clip
M. Saric/ USA/
- 15:10-15:30 Imaging for Left Atrial Appendage Occlusion
R. Janardhanan /USA/
- 15:30-15:50 Echo Guidance for Paravalvular Leak Closure
K. Aggarwal /USA/
- 15:50-16:10 Percutaneous Treatment for Tricuspid Regurgitation
St. Goldstein /USA/
- 16:10-16:30 Balloon Mitral Valvuloplasty for Rheumatic Mitral Stenosis –
K. Karamfilov /Bulgaria/
- 16:30-16:50 Percutaneous Mitral Valve Replacement
A. Gopal /USA/

16:30 – 17:00 Coffee Break and visit to the exhibition in the lobby of Paradise Blue Hotel

17:00 – 19:00 STRAIN IMAGING IN HEART FAILURE

Chairmen: N. Nanda,E. Sade

- 17:00-17:20 Evaluation of Ischemic Cardiomyopathy: Insights from Strain Imaging
E. Sade/ Turkey/
- 17:20-17:40 Strain in the Evaluation of Nonischemic Cardiomyopathy
I. Mikati /USA/
- 17:40-18:00 Strain in the Evaluation of Hypertrophic Cardiomyopathy
E. Donal /France/
- 18:00-18:20 Cardiac Resynchronization Therapy: Echo Before, During, and After Implantation
E. Sade/ Turkey/
- 18:20-18:40 Pressure strain loops in the evaluation of the LBBB.
E. Donal /France/
- 18:40-19:00 2Dand 4DX-strain technology – an incremental value in your everyday practice
M. Maglione /Italy/

19:00 - 19:30 ESAOTE

20:30 – 23:00 Gala Dinner /Albena Variete Theatre /

Hall Wind & Sky

/Paradise Blue Hotel/

08:30 - 10:00 Stress Echo for Valvular Heart Disease: Go with the Flow

Chairmen: Y. Yotov, N. Kesser

- 08:30-08:45 Low Gradient Aortic Stenosis with Depressed Ejection Fraction
A. Varga/Hungary/
- 08:45-09:00 Low Gradient Aortic Stenosis with Normal Ejection Fraction
A. Salustri /Italy/
- 09:00-09:15 Mitral Stenosis
R. Janavardhan/USA/
- 09:15-09:30 Mitral Regurgitation
N. Kesser /Turkey/
- 09:30-09:45 Assessment of Pulmonary Hemodynamics
V. Sorrell / USA/

09:45-10:00 The role of echo in the timing of surgery/ intervention
N. Kesser /Turkey/

10:00 – 10:30 Coffee Break and visit to the exhibition in the lobby of Paradise Blue Hotel

10:30 - 13:00 HIT –HOT SESSION

My challenges clinical case

Chairmpartaen: L. Vladimirova-Kitova, R. Shabani

10:30-10:40 Granulomatosis with Polyangiitis (GPA) and an Acute Cardiovascular Event
N. Spasova /Bulgaria/

10:40-10:50 Challenges in the management of a patient with AF.
V. Konstantinova /Bulgaria/

10:50-11:00 Challenges in the management of a patients with NCLV and VT
L. Zolumova /Bulgaria/

11:00-11:10 RV noncompaction
I. Gruev /Bulgaria/

11:10-11:20 Peripartal CMP
I. Bayraktarova/ Bulgaria/

11:20-11:30 Patient with L/R shunt on three levels
N. Marinov /Bulgaria/

11:30-11:40 Tricuspid valvuloplasty
I. Stanilov /Bulgaria/

11:40-12:00 Pulmonary embolism
T. Tak /USA/

12:00-12:20 Clinical cases of rheumatic heart diseases
D. Roychoudhury /USA/

12:20-12:30 Fibroelastoma – clinical case
D. Vassileva /Bulgaria/

12:30-12:45 Discussion

**13:00 – 14:00 Lunch Satellite Symposium by Actavis in Paradise Blue Hotel, Hall Sea
Eplerenone in the treatment of heart failure**

Chairman: I. Gruev /Bulgaria/

Evaluation of the safety and tolerance profile of eplerenone and spironolactone in patients with heart failure with reduced global ejection fraction - monocentric comparative study

E. Manov /Bulgaria/

Eplerenone – clinical case of patient with heart failure with reduced ejection fraction
D. Vasileva /Bulgaria/

14:30 – 16:30 The Right Heart

Chairmen: L. Vladimirova - Kitova, V. Sorell

14:30-14:48 Right Ventricular Chamber Quantification Update
S. E. Catirli /Turkey/

14:48-15:06 Incorporating New Technologies: Strain and 3DE for assessing right heart
V. Sorrell /USA/

15:06-15:24 Assessing Pulmonary Hypertension
S. Goldstein/USA/

15:24-15:42 Echo in pulmonary embolism
I. Mikati /USA/

15:42-16:00 Right Ventricle Manifestations of Systemic Diseases
E. Kinova /Bulgaria/

- 16:00-16:18 RV function in valvular diseases
I. Vlasseros /Greece/
- 16:18-16:36 When it's NOT Right: Carcinoid, Ebstein's and Tricuspid Valve Complications
K. Hristova /Bulgaria/

16:30 – 17:00 Coffee Break and visit to the exhibition in the lobby of Paradise Blue Hotel

17:00 – 19:00 Echo and Acute Myocardial Infarction

Chairmen: E. Kinova, K. Maganty

- 17:00-17:20 Prognostic Value of Echo/Doppler Findings Early After Myocardial Infarction
G. Elkilany /UEA/
- 17:20-17:40 Post Myocardial Infarction Complications I: Acute Mitral Regurgitation Post Myocardial Infarction
K. Maganti /USA/
- 17:40-17:50 RV infarction – clinical case
K. Hristova /Bulgaria/
- 17:50-18:10 Right Ventricle Myocardial Infarction: Making the Diagnosis
R. Shabani /Bulgaria/
- 18:10-18:20 Clinical Case 2
N. Spasova / Bulgaria/
- 18:20-18:40 Post Myocardial Infarction Complications II: Ventricular Septal Defect and Left Ventricular Rupture/Pseudoaneurysm
I. Gruev /Bulgaria/
- 18:40- 18:55 Discussion

19:00 – 19:30 Satellite Symposium Novartis

Timely change for better results in treatment of heart failure

Y. Yotov /Bulgaria/

Flamingo Grand Hall

/Flamingo Grand Hotel/

08:30 - 10:00 Advance imaging in echocardiography

Chairmen: E. Manov, I. Simova

- 08:30-08:45 Cardiac involvement and echocardiographic assessment in patients with neuro-muscular disorders
M. Gospodinova /Bulgaria/
- 08:45-09:00 Athetes Heart
Y. Simova /Bulgaria/
- 09:00-09:15 RV function in pulmonary endarterectomy
M. Kanchi /India/
- 09:15-09:30 Cardiac blood flow imaging in CAD
K. Hristova /Bulgaria/
- 09:30-09:45 Pulmonary Embolism vs. Right Ventricular Infarction
E. Srbinovska /FYROM/
- 09:45-10:00 Dobutamin stress –echocardiography in CAD
G. Litsova/Bulgaria/

10:00 – 10:30 Coffee Break and visit to the exhibition in the lobby of Paradise Blue Hotel

10:30 - 13:00 Multimodality IMAGING FOR VASCULAR DISEASES

Chairmen: E. Goranova, D. Vasilev

- 10:30-10:50 Utility and Limitations of Stress Echo in Evaluating Coronary Artery Disease
A. Salustri/ Italy/
- 10:50-11:10 CTA and FFRct in the Diagnosis of Coronary Artery Disease

- D. Vasilev /Bulgaria/
 11:10-11:30 CMR in the Assessment of Ischemic Heart Disease
 F. Sozzi /Italy/
 11:30-11:50 Can Echo Imaging Complete with Other Modalities?
 D. Neglia /Italy/
 11:50-12:10 Acute aortic syndrome and CTA
 B. Bogdanova /Bulgaria/
 12:10-12:30 Multimodality imaging in acute coronary syndrome
 M. Nedevska /Bulgaria/
 12:30-12:50 Incremental value of multisliced coronary tomography over angiography for left main disease.
 F. Ilgenli /Turkey/
 12:50-13:00 Clinical case: Multimodality imaging in vessel diseases
 B. Kunev / Bulgaria /
- 13:00 – 14:00 Lunch Satellite Symposium by Actavis in Paradise Blue Hotel, Hall Sea Eplerenone in the treatment of heart failure**
 Chairman: I. Gruev /Bulgaria/
 13:00 - 13:30 Evaluation of the safety and tolerance profile of eplerenone and spironolactone in patients with heart failure with reduced global ejection fraction - monocentric comparative study
 E. Manov /Bulgaria/
 13:40 - 13:50 Eplerenone – clinical case of patient with heart failure with reduced ejection fraction
 D. Vasileva /Bulgaria/
 13:50-14:00 Discussion
- 14:30 – 16:30 Right heart: THERE IS CONGENITAL HEART DISEASES**
 Chairmen: S. Kutty, W. Li
 14:30-14:45 Role of prenatal echo for early detection of CHD
 K. Chacheva /Bulgaria/
 14:45-15:00 The Right Ventricle in the Repaired Tetralogy of Fallot
 G. Di Salvo /Italy/
 15:00-15:15 The Systemic Right Ventricle: Corrected and Uncorrected Transposition
 R. Marinov/Bulgaria/
 15:15-15:30 Right Ventricle Response to Pressure Loads in Adults with Congenital Heart Disease
 S. Kutty/ USA/
 15:30-16:00 Single Ventricle Fontan Circulation in the Adult
 W.Li /UK/
 16:00-16:15 Echocardiography estimation of native preoperative anatomy of pulmonary atresia with intact ventricular septum
 B. Ganey /Bulgaria/
 16:15-16:30 Rare congenital heart diseases
 D. Roychoudhury /USA/
- 16:30 – 17:00 Coffee Break and visit to the exhibition in the lobby of Paradise Blue Hotel**
- 17:00 – 19:00 CONTRAST ECHO**
 Chairmen: Y. Yotov, R. Senior
 17:00-17:20 Using contrast in echocardiography – basic, principals, protocols
 Y. Yotov / Bulgaria/
 17:20-17:40 EACVI guidelines on contrast echocardiography update – 2018
 R. Senior /UK/

- 17:40-18:00 Using contrast echo in CHD
S. Kutty /USA/
- 18:00-18:20 Contrast stress echo imaging – when and whom?
R. Senior /UK/
- 18:20-18:40 Contrast beyond endocardial border definition - improving our diagnostic value
S. Kutty /USA/
- 18:40-19:00 Clinical cases illustrating the EACVI contrast echocardiography guidelines
K. Hristova/Bulgaria/
